Step 'n Stow Concept 1 shown in Light Redwood with optional Hand Rail and Planters

**MAINTENANCE-FREE WITH LOCKABLE STORAGE!**

**LIMITED LIFETIME WARRANTY**

**CONCEPT 1**  
 • Huge step area  
 • Lockable, Hand Rail option  
 Coastal Gray shown

**EMBRACE**

• Designed for round tubs  
 • Lockable, Hand Rail option  
 Light Redwood EMBRACE shown

**CONCEPT 2**  
 is also available  
 • 180° step accessibility  
 • Attractive curved front design

• **Spacious dry storage beneath the top step** Beware of less-than-adequate imitations. If you are looking for a place to park a billfold and a small bottle of wine, a step with a molded "tray" may do. If you want **LOCKABLE** storage for chemicals, towels, robes and toys, make sure you choose Step 'n Stow!

• **Strong as a dance floor** Step 'n Stow's great looks will compliment any spa. But the bottom line is that a step is me to be **stepped on**, not just **gazed upon**. Step 'n Stow not or looks great but it provides more than adequate support for nearly any weight. There is no sag or sway to Step 'n Stow.

• **UV stabilized** ...will not fade or become brittle

• **Hand Rail** (Concept 1 and EMBRACE only) is available as an option for easier spa access

• **Lock chemicals out of children's reach** (Concept 1 & EMBRACE)

• **Available in a wide variety of colors** to match most spa cabinets

• **Step 'n Stow Planters** are available individually or with silk flower arrangements, to help create the perfect spa setting

• **Quality made in the USA**

Step 'n Stow and Sure Step are available in a wide range of colors and "wood tones"

You're familiar with the other molded steps. Some are attractive but flimsy. Others are rugged but industrial-looking. Only **Sure-Step II** offers you the best combination of benefits:

- **Uniquely engineered to maximize strength, durability and design**
- **Accommodates both round and rectangular spas**
- **More cabinet color matches than any other step on the market**
- **Made with pride in the U.S.A. with environmentally responsible manufacturing processes**
- **UV stabilized** ...will not fade or become brittle

**Sure-Step II** — all the quality you've come to expect from the makers of **Step 'n Stow**.

**Easy, quick Posi-Lock assembly** Ready to use in just seconds. No hardware required for assembly

**Unique top surface pattern**

**Extensive underside webbing** is designed to provide tremendous strength while eliminating flex and side sway

**Large footprint** assures maximum stability

# Step 'n Stow

## OFFERS ALL THESE BENEFITS:

**HAND RAIL SYSTEM** (Optional on Concept 1 and EMBRACE) provides assistance in spa entry and exit. Heavy gauge clear anodized aluminum rail retains graceful appearance while providing strength normally found in large diameter institutional-looking rails. Can be installed on right side, left side or both sides of Step 'n Stow.

**SOLID COLOR PIGMENTING THROUGHOUT**, not just a cosmetic surface treatment.

**UV-STABILIZED MATERIAL** will not yellow or become brittle in direct sunlight.

**WATER RESISTANT LID CLOSURE** assures dry storage while allowing ventilation within the storage area.

**MATCHING PLANTERS** provide a visual enhancement to the total spa environment. Plant your own plants, incorporate your favorite silk arrangements or opt for these gorgeous daisy mums available in yellow or white.

**LIMITED LIFETIME WARRANTY**

SHOWN IN LIGHT REDWOOD WITH OPTIONAL HAND RAIL AND PLANTERS

**LARGE FOOTPRINT** combines with substantial step weight to ensure an extremely stable platform.

**REMOVABLE DRAIN PLUG** in Step 'n Stow facilitates interior cleaning with water if needed.

### **STRONG AS A DANCE FLOOR!**

Step 'n Stow's unique design gives you "soft step" cushioning, yet will support in excess of these seven people shown.

(AGGREGATE WEIGHT = 1,435 LBS. — INDIVIDUAL WEIGHTS WITHHELD...)

### **SIMULATED WOOD GRAIN FINISH**

Wood grain finish is available in a variety of colors to match or compliment most maintenance-free and real wood spa cabinets.

**LOCKING FEATURE** No one likes keeping spa chemicals out where children can get into them! Concept 1 and EMBRACE feature locking tabs, providing peace-of-mind and secure storage for chemicals and valuables. (Padlock not included.)
